

PACIFIC WESTERN BREWING PRESENTS:

Nechako Rotary 

April 2019

Dear Supporter of Rotary!

If there is work to be done on the other side of the planet to provide a village with clean drinking water, or projects to build and programs to support in our city, Rotarians roll up their sleeves and combine their collective resources to get it done. In addition to the international pledge to eradicate polio from the globe or provide financial support for the Prince George Hospice House, contribute to the downtown Rotary Skateboard Park, the Darren Fitzpatrick Bravery Park on the Hart, the Hart Highlands Ski Club and the Kordyban Cancer Lodge Wig Program.....Rotarians were there!

The annual *Operation Red Nose* initiative not only keeps our roads safer during the celebratory Christmas holiday season and mobilizes hundreds of dedicated volunteers, funds raised go to support a myriad of youth related programs and initiatives in our city! Our motto is "Service above Self" and we walk the walk.

We have another community project in the works and it's just not right to keep it to ourselves....

The **Prince George Ribfest**, June 21, 22, 23! Picture it. Premier "Ribbers" from across Canada, food trucks, cold beverages, entertainment stage & activities outside! An opportunity to bring our community together and enjoy each other's company while raising funds for projects in our city. Every dollar raised from this event stays in Prince George and, as always, we cannot do it without crucial sponsorship support. The event is quickly taking shape, check it out: www.pgribfest.ca

Please check the menu of partnership opportunities and someone from our team will be delighted to chat with you about the possibilities!

Sincerely,

Rachelle Delorey
Chair, Prince George Ribfest Committee
